Dear Members of JCI Romania,

It is with great excitement I would like to extend my sincerest greetings to JCI Romania on the occasion of your Twinning program in Iasi. This opportunity we have together gives us the chance to build a stronger organization and celebrate the strong bond we have throughout Europe.

I encourage all of you to look toward the future of JCI Romania, as we think about the decades ahead. As we embrace change around the world, please also accept change within your Local Organizations. We must set the example to be as ingenious, motivational and inspirational as possible.

I believe that together, we will have the greatest impact on our global society. The new decade gives us the choice to reinvent ourselves and to move forward in a sustainable manner. As an organization of young active citizens, it is our greatest asset to have young minds working together to solve problems that we face today and prevent problems we might face tomorrow.

I would like to thank JCI Iasi for hosting this wonderful event, and I would like to extend every good wish and success for the future to everyone. Most importantly, I encourage you all to embrace the Impact of One.

Let's Be The Change!

Enthusiastically,

Roland Kwemain
